

* Appearance and specifications are subject to change without notice. Availability of products should be checked with local Toyota sales network. No part of this publication may be reproduced, without prior written permission from Toyota Caucasus LLC .

Note: vehicles and accessories pictured and their specifications detailed in this brochure may vary from models and equipment available in your area.

** Active safety systems such as T-Mate are designed to assist the driver. The systems do not replace driver awareness and responsibility. Since there might be recognition inaccuracy caused by some external factors, drivers should not rely on the system too much. Drivers must be attentive to surrounding objects and observe the precautions while driving. T-Mate exploitation may be interfered because of external factors and Toyota is not responsible/liable for any consequences arising from use of the system.
